Winter Soldier by Ed Brubaker: The Complete Collection ... The Winter Soldier is one of my top favorite comics characters along with guys like Madrox from X-Factor and gals like X-23 and Black Widow. X-23 and Black Widow both had similar books to Winter Soldier that are both examples of what I was hoping Brubaker would do with this series. Captain America: Winter Soldier by Ed Brubaker Captain America is a product of science and as is the Winter Soldier. They are both designed to help the war propaganda backed by different ideologies. Though the execution changes from comics to movies, essence remains the same. Winter Soldier: The Complete Collection by Ed Brubaker Also enjoyed the brief Winter Soldier vs. Black Widow moments, and the rematch of Cap vs. Winter Soldier that takes all of ten seconds. Cap's still the best. I'm not sure what to make of the art style for a lot of this--much of Ed Brubaker is an excellent writer, but he seems unable to write without some element of tragedy to the storyline.
